

Kimberley Golf Club
Annual General Meeting – 27 October 2020
Notice of Motions

Motion 1:

To amend the Bylaws of the Kimberley Golf Club to recognize Legacy and Non-legacy membership categories as follows:

“Legacy” members are defined as all members in good standing during the 2020 golf season, including those who requested and were granted an exemption due to medical reasons. Legacy members must remain Members in Good Standing on a year by year basis in order to retain this status. Legacy members will continue to be offered Legacy (“Original”) membership rates that are subject to limited annual increases as defined in the Service Agreement between Kimberley Golf Club and Purcell International Education Inc.

“Non-Legacy” members are all other members of the Kimberley Golf Club, including:

- Members who purchased memberships for the 2021 season and subsequent seasons;
- Legacy members who fail to maintain their Member in Good Standing status for any future season;

Non-legacy members will be offered rates as determined by Purcell Golf and the Kimberley Golf Club and are not subject to the limited annual increase provisions that Legacy members enjoy.”
