

Kimberley Golf Club Reciprocals 2020 Season

Shadow Mountain

We will offer 20% off rack rate for your members Wednesday-Sunday (anytime), it can not be combined with any other specials that we have running (eg. Men's Night, Ladies Night, Seniors Day etc). When they book it would be great if they could let us know that they are KGC Members, that way we could make a note on the tee sheet.

Wildstone

We'll continue with what we had last year 25% off applicable green fees.

St. Eugene

All of your members would qualify for our EK Resident rates which are 25% off our public rates at any given time. The main stipulation to the EK rate is that the tee times are not booked more than 1 week in advance.
